

## September News from Adventures in Scuba

Hearty Congratulations go out to some brand new divers and some new dive professionals! Junior divers completed their Junior Open Water certification **locally!** at Lake Chaparral in August. And as you can see – smiles from ear to ear. Our waters were warm enough that the group of 10 and twelve year olds were very comfortable indeed in their 7ml suits! Great job!

We are also very excited to congratulate our two newest Dive Masters. **Blaine Julien** and **Bryen Girling** completed the Dive Master program and are now out diving with classes! Lots of divers have upgraded their skills by taking advantage of the Specialty Course specials – the season's coming quickly to an end so don't miss out – give us a call and register to take advantage of some great pricing. Enhance your skills today – 403-299-7751.

## Adventures in Travel

## Upcoming Courses

We have a limited time offer – cause the season is ending *soon* – **Specialty Course Weekend Deals!** In just ONE weekend you can earn TWO specialty course certifications and only pay for rental equipment once. Choose to take your Advanced Open Water course and select from Dry Suit; Altitude; or Multi-Level Specialty as a package. Or take TWO Specialty Courses from a selection of Dry Suit; Altitude; Multi-Level, Peak Performance Buoyancy; and National Geographic. In addition, you will receive a **Free Air Card** for 10 air fills or 10 tank rentals. Don't wait when the season's over, so is the Specialty Deal!

## **Equipment Corner:**

We still have some rock bottom pricing on BARE sky blue 3ml wet suits for the ladies out there! This \$99. price tag will help you plan your vacation with the appropriate exposure protection to ensure comfort and safety – limited sizes available so don't wait.

Have you had your dive equipment serviced this year? Don't wait until the last minute - your gear needs a pre-vacation check up to ensure it's working to its full potential. And before you put it away for another season, servicing it will ensure its ready to go when you are.
