

PADI

ADVANCED

DIVER COURSE

THE ADVENTURES ADVANTAGE

Now...don't let the name scare you - you don't have to be **ADVANCED** to take the course - the course is designed so that you can go straight into it after you complete your Open Water Diver certification.

The **ADVANCED** Open Water Diver course helps increase your confidence and build your scuba skills so that you can become more comfortable in the water.

This course simply builds on what you have already learned and helps you develop new capabilities by introducing you to new activities...you get more dives under your belt all while continuing to learn under the supervision of your PADI Instructor.

RENTALS

Adventures in Scuba students receive special pricing for **RENTAL EQUIPMENT** when enrolled on a course.

Adventures in Scuba does **NOT** rent masks/snorkels/fins/boots (for students who have purchased fins, drysuit fins can be rented for \$30.00/weekend)

All courses are **PERFORMANCE** based. Performance requirements must be met before any student can progress to the next level or stage in training.

Payment for any course does **NOT** guarantee its **SUCCESSFUL COMPLETION**.

RE-SCHEDULING

When registering in a course - any changes **MUST** be made 7 days or more prior to the start of the course. Any changes made within 7 days will be charged \$75 / person rescheduling fee.

WITHDRAWING from a course within 24 hours of the start date will result in the entire course fee being forfeited.

Advanced courses must be completed within **ONE YEAR** of purchase.

NO REFUNDS on courses that have not been started within one year from purchase.

ADVANCED

\$239.00

Customize your ADVANCED diver course. You'll plan your learning path with your instructor by choosing from a long list of Adventure Dives.

There are two required dives – DEEP and UNDERWATER NAVIGATION – and you choose the other three, for a total of five dives.

During the DEEP dive, you learn how to plan dives to deal with the physiological effects and challenges of deeper diving. The UNDERWATER NAVIGATION dive refines your compass navigation skills and helps you better navigate using kick-cycles, visual landmarks and time.

The other knowledge and skills you gain will vary with your interests and the adventures you have - check out

Diving with ENRICHED AIR
Peak Performance BUOYANCY

ALTITUDE diving

DRYSUIT

NIGHT

DSMB

to name only a few...

PRIVATE

Advanced courses can be set up but must run over 2 days. \$399.00 / person.

With every dive you are becoming more confident and independent.

Equipment - Excitement - Experience - Environment - Exploration

DIDN'T PURCHASE A DIVE COMPUTER DURING YOUR OPEN WATER COURSE?

10% OFF ANY DIVE COMPUTER

CERTIFIED DIVERS NEED TO OWN THEIR OWN DIVE COMPUTER

(or dive watch or bottom timer)

Dive Computers make your diving EASIER, MORE EFFICIENT and SAFER

- * Dive computers maintain an accurate record of your maximum depth and dive time
- * Dive computers constantly track your decompression status
- * Dive computers allow for more time underwater with multi-level diving profiles
- * Some dive computers monitor your air consumption
- * Some dive computers are programable for use with mixed gases
- * Some dive computers are down-loadable

Moving forward, a bottom timer of some sort is MANDATORY for any further diver education.

Computer offer is in effect for 1 month from the time you purchase your Advanced Open Water course
