

THE ADVENTURES ADVANTAGE

Challenging - Rewarding -
Highly Entertaining

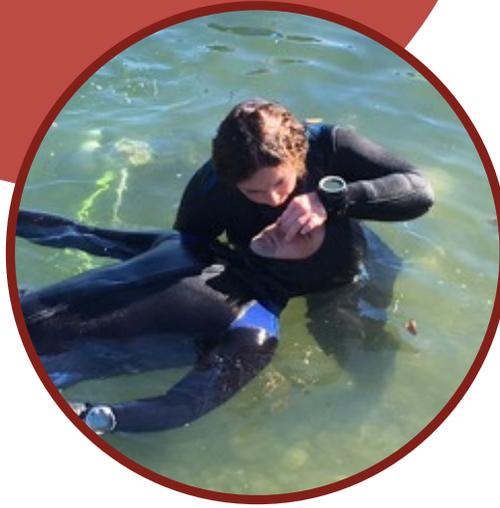

These are the words that best describe the
PADI Rescue Diver Course.

The **Rescue Diver** course expands on what
you've already learned - how to
anticipate and prevent problems
and how to manage them
in the unlikely event that they do occur.

Now continue your training; learning and
practicing self-rescue techniques,
recognizing and managing stress,
emergency management and
emergency equipment use,
rescuing panicked divers
and how to deal with
unresponsive divers.

The fun part about this course
is rising to challenges and
mastering them.

Most divers
find the **RESCUE** course to be
demanding and rewarding. In the end,
they say it's the best course they have ever taken.

All courses are **PERFORMANCE** based.
Performance requirements must be met
before any student can progress to the
next level or stage in training.

Payment for any course does NOT
guarantee its **SUCCESSFUL COMPLETION**.

RE-SCHEDULING

When registering in a course - any changes
MUST be made 7 days or more prior to the
start of the course. Any changes made
within 7 days will be charged \$95 / person
rescheduling fee.

WITHDRAWING from a course within 24 hours
of the start date will result in the entire
course fee being forfeited.

RESCUE diver courses need to be completed
within one year of purchase.

NO REFUNDS on courses that have not been
started within one year from purchase.

RESCUE COURSE & O2 PROVIDER

\$498.00

The Rescue Diver course - challenging, rewarding, very intense - it's all those things rolled into one! Now, add the Oxygen Provider specialty course and you will be ready for almost anything the diving world can throw at you!

Your **COMBINED** course includes:
e-learning Rescue Diver crew pac
e-Learning student pass
(which allows access to the PADI webpage)
Pocket Mask
Oxygen Provider manual
3 classroom / pool sessions
1 day at the Lake
2 PADI certifications!

The Rescue Diver course is an e-Learning course. All academic requirements must be completed prior to the first night of class.

Adventures in Scuba students receive special pricing on **RENTAL EQUIPMENT** when enrolled on a course; all prices are subject to change without notice.

PRE-REQUISITES: * 12 years old
* PADI (Junior) Adventure Diver certification (must have completed the Underwater Navigation Adventure Dive)
* EFR Primary & Secondary care training within the past 24 months

O2 PROVIDER

\$139.00

Be the one ready to help a fellow diver should the need arise by becoming a **PADI Emergency Oxygen Provider**. Breathe easy knowing that you know how to recognize illnesses treatable by emergency oxygen.

Though suited for divers, this course has no prerequisites and doesn't include dives, which means it is equally applicable to those who are around divers - family and friends - no previous CPR or first aid training required to take the course.

RESCUE DIVER

\$399.00

Includes:
e-Learning Rescue Diver crew pac
e-Learning student pass
Pocket Mask
3 classroom / pool sessions
1 day at the Lake!

STILL DON'T OWN YOUR OWN DIVE COMPUTER?

10% OFF ANY DIVE COMPUTER

DIVERS NEED TO OWN THEIR OWN DIVE COMPUTER (dive watch or bottom timer) AS A CERTIFIED DIVER YOU MUST BE ABLE TO MONITOR YOUR OWN BOTTOM TIME. Dive Computers make your diving **EASIER, MORE EFFICIENT** and **SAFER**.

- * Dive computers maintain an accurate record of your maximum depth and dive time
- * Dive computers constantly track your decompression status
- * Dive computers allow for more time underwater with multi-level diving profiles
- * Some dive computers monitor your air consumption
- * Some dive computers are programmable for use with mixed gases
- * Some dive computers are down-loadable

Moving forward, a bottom timer of some sort is MANDATORY for any further diver education.

Computer offer is in effect for 1 month from the time you purchase your Rescue Diver course
